Professor Joshua Lederberg  
Professor of Genetics  
School of Medicine  
Stanford University  
Stanford, California 94305

Dear Professor Lederberg:

Thanks very much for your interesting suggestion to the Academy in regard to a sponsorship of an international conference regarding Arab-Israeli developments. I am going to present this proposal to a number of the Academy members who were in close touch with problems of this kind and you will soon hear from us.

Sincerely yours,

V. F. Weisskopf
